>
> To buy more *credits,* check *How to purchase credits section*

5. Click 🔘 to start the game.

6. Click to proceed with the first round.

7. Play the game.

3.3 What are premium games section

Our premium games take the regular games experience to the next level. We offer our users the possibility of playing a regular game with tournament features, displaying their name along with their Highest score and Last score, but without an end date, making the High score remain in our Leaderboards for an unlimited amount of time. Another feature of the premium games is that the credits price of playing them is fairly lower than for tournaments.

NOTICE

- **Regular game** - usually costs between 20-30 credits to play.
- **Premium game** - usually costs between 40-150 credits to play.
- **Timed Tournament** - usually costs more than 150 credits to play.
